COLLECTIONS FOR THE HOME GARDENER
ORIGINATIONS FOR THE COLLECTOR

SHREWSBURY GARDENS

Cuttingsville

Vermont

The Shrewsbury Gardens

"Four-in-Hand"

A Geometric Progression

In one specializing field, THE MODERN DAYLILY, SHREWSBURY GARDENS of Cuttingsville, Vermont has built itself into a practical bridge between *Collections for the Home Gardener* and *Originations for the Collector*.

The *Collections* are well-balanced for the Beginner, the Advanced Amateur and the Specialist in Daylilies, all of whom are building up their own valuable assortments in an intriguing horticultural hobby. For the Home Gardener, backbone of a flowering America, interested in a wide variety of plant material, the Daylily has become the favorite perennial for highlighting the border, providing front accents for the shrubbery as well as making strong, bright clusters of color in naturalized areas. For these all-around gardening enthusiasts the *Collections* offer long season loveliness from spring to fall in brilliant co-ordinated balances of color.

The *Green Mountain Originations in Daylilies* are the work of four individual hybridizers: Russell Gabrielson, Richard Johnson, Frank Vargas and Lawrence Ward. Though widely separated by their work and way of life geographically, in the past few summers they have divided and shared the best numbered Daylily seedlings of each with one another as soon as practical. This brings the finest new work of each breeder to be available for hybridizing in four individual gardens.

The advance of quality in each man's hybrids has been speeded up in almost geometric progression by this procedure. The finest accomplishments of these four plant breeders have been set out for display in the Exhibition Garden of SHREWSBURY GARDENS. This laboratory of a "Four-in-Hand" of Daylily hybridizers is becoming of increasing interest to visitors in Vermont, who come to SHREWSBURY GARDENS primarily to see the finest of Today's Daylilies in Exhibition bloom. They enjoy the added interest of making up their own minds as to which may well become the finest of Daylilies for Tomorrow.

(Please Read This Page With Close Attention)

SHREWSBURY GARDENS: a DIRECT MAIL OPERATION.

Orders from the list of *Modern Daylilies for Today and Tomorrow*, *Color Selections* and the *Collections for Beginner, Advanced Amateur, Specialist* and *Home Gardener* are freshly dug and mailed out at once during the season from May 15th through October 15th.

None of the 20 *Green Mountain Originations* for 1963 will be distributed before mid-September except in the one *Collection: GREEN MOUNTAIN GALAXY*. Since stock is very limited on these new Introductions it will be the *early* orders which are sure of Fall Delivery in 1963. The *initial price* of each of these *will be maintained throughout the 1964 season*.

SHREWSBURY GARDENS is also a DIRECT SALE OPERATION.

On Saturday, May 25th, SHREWSBURY GARDENS will be *opened* to make Direct Sales to visiting customers *on Saturdays and Sundays only* until the 6th of July when the beginning of peak bloom makes hybridizing a daily responsibility. Though *always closed Monday*, it will now be open for a six day week through August 25th. SHREWSBURY GARDENS then returns to the weekend schedule until closing October 20th.

In this season of 1963 for the first time Daylilies will be available growing in pots, neatly transportable by visiting customers. These will include the *Collections for Beginner and Advanced Amateur* as well as the *Three Season Relay and Color Kaleidoscope for the Home Gardener*. Many of the *Modern Daylilies for Today and Tomorrow* in the price range of \$1.00 through \$3.00 will be available also. Those which are not will be potted quickly on request. *Prices are the same as by Direct Mail.*

Our OPEN INVITATION to YOU!!!

During peak bloom, the last two weeks of July and the first two in August, the intensive program of selective breeding makes full use of the *Modern Daylilies for Today and Tomorrow*, the 20 *Green Mountain Originations* for 1963 and the 1000s of hybrid seedlings blooming for the first time on earth, as new to the sight of those who hybridized them as to your own eyes.

If, in this midsummer season, you are no more than a day's journey from this laboratory of creative horticulture come and join us at the center of the circle: SHREWSBURY GARDENS. Even if your own home garden is no bigger than a window box, in which the Daylily certainly has no place, we believe you will find pleasure and reward to stop by for a while. Most of our customers, from Maine to California, do not have the opportunity to do this. You, who may only wish to enjoy the sight of it for yourselves, are as truly welcome here as they would be.

20 NEW DAYLILIES FOR 1963

GREEN MOUNTAIN ORIGINATIONS

By

RUSSELL GABRIELSON

FRANK VARGAS

RICHARD JOHNSON

LAWRENCE WARD

DAMATO (Gabrielson: G-C-X) Early Midseason to Late MELON PEACH

Large frilled and fluted melon peach, with contrasting green throat. Well-branched and free-flowering.

(Atlas x Tenderly) 36 inches. Semi-evergreen. \$15.00

DESERT INN (Gabrielson: G-B-H) Midseason to Late ROSE TAN

Rose tan with rose purple darts, egg-yolk throat with green center. Emphatic as a neon sign in the garden.

(Johnson hybrid x Tangier) 36 inches. Semi-evergreen. 2.50

GREENFIELDS (Johnson: J-C-Y) Midseason to Late LIME YELLOW

A large lime lemon flower with deep green throat. A well-branched beauty.

(Green Goddess x Hyla) 40 inches. Semi-evergreen. 15.00

GUIDING STAR (Ward: WW60-1A) Midseason BUFF YELLOW

Buff yellow with soft golden brown mark, a "V". Lightly ruffled, free blooming medium wide flower. Rapid to increase. Fine fertile pollen.

Parentage not known. 30 inches. Midseason. 2.50

HIGH POND (Johnson: J-C-4) Midseason to Late GOLD

Clear buff gold, as round and bright as a newly minted coin.

(Flushed Marble x Exultation) 30 inches. Semi-evergreen. 10.00

HIGH STYLE (Vargas: C-1-A) Early Midseason SALMON ROSE

A very large, uniquely formed dusty salmon rose. The two inch wide petals and completely quilled sepals, which are almost at right angles

to them, form a very unusual and distinct flower which may reach seven inches in size. Fair branching but many scapes. Fertile both ways.

(Lynette x Royal Gold) x Pink Orchid. 30 inches. Deciduous. 15.00

HOLLY HALL (Vargas: A-15-A) Midseason RED

A beautifully formed medium red with excellent color value. Only fair branching but many scapes with long lasting florets. An almost constant bloomer. $2\frac{1}{4}$ - $5\frac{3}{4}$. Fertile both ways.

From a line of red hybrids. 40 inches. Deciduous. 2.50

LADY BROWN (Gabrielson: G-B-A) Midseason to Late BROWN PURPLE

Tobacco leaf brown with wine purple darts. A unique oddity among daylilies. Infinite possibilities for the hybridizer.

(Sabrina x Johnson Hybrid) 36 inches. Semi-evergreen. 5.00

LUNAR LAKE (Vargas: B-49-C) Midseason BUTTER YELLOW

A lightly ruffled and waved soft butter yellow with good branching and long bloom season. The scapes hold many blossoms open at once which last well into the night. $1\frac{3}{4}$ x $1\frac{1}{8}$ x $5\frac{1}{2}$. Fertile both ways.

(Moonlore x Ruffled Pinafore) 36 inches. Deciduous. 2.50

MAIZE MAJESTY (Ward:WWSS-62A) Midseason to Late MAIZE YELLOW

Large maize yellow self, of clear color and excellent form. Branching of great vigor, rapid to increase. Fertile both ways.

(West Wind x Salmon Sheen) 40 inches. Semi-evergreen. 15.00

MOONRISE (Vargas: B-67-A) Midseason YELLOW

Many scapes and open florets make this free blooming medium yellow self a desirable landscape variety. The lightly waved blooms last well into the evening. $1\frac{3}{4}$ x $1\frac{1}{8}$ x 6. Fertile both ways.

(Ruffled Pinafore x Moonlore) 36 inches. Deciduous. 2.50

RED ROUNDER (Vargas: A-15-B) Midseason to Late DARK RED

This nicely branched medium dark red has heavily substantiated round florets which sometimes last a full 24 hours. A shy seed producer but has fertile pollen. Its seedlings are almost all wide petaled.

From a line of red hybrids. 36 inches. Deciduous. 5.00

ROSE BRILLIANT (Ward: 60-4B) Midseason RASPBERRY

JUNIOR CITATION WINNER — 1962. Raspberry rose pink and apple green. A brilliant color in a rare shade. Unusual green throat and excellent form. $1\frac{3}{4}$ x $1\frac{1}{4}$ x $5\frac{1}{4}$. Fertile both ways.

(Joe House x Magic Dawn) 36 inches. Deciduous. 20.00

SAINT BOTOLPH (Johnson: J-C-K) Early Midseason to Late ROSE PURPLE

Clear rose purple with blacker eye-zone and a green throat. This is always a garden "Conversation Piece" and a handsome flower.

(Flushed Marble x Johnson hybrid) 36 inches. Semi-evergreen. 5.00

SALMON SHELL (Ward: HP-56-1) Midseason SALMON PINK

Salmon pink with yellow throat. Unusually good branching for a pink-toned variety. Superior parent, producing very fine progeny. Fertile both ways.

From a line of pink hybrids. 36 inches. Deciduous. 2.50

SPRING DANCE (Gabrielson: G-C-2) Early Midseason through Midseason APRICOT

Fresh and dainty, like a Cotillion corsage. Plentiful medium-sized yellow blooms flushed with apricot, clear green throat.

(Johnson hybrid x Ringlets) 30 inches. Semi-evergreen. 2.50

SUGARBUSH (Gabrielson: G-C-7) Midseason to Late RED

The deep red of sugar maples in contrast to the gold green throat. Well branched and many flowered. A rich accent among the lighter colors.

From a line of red hybrids. 36 inches. Semi-evergreen. 2.50

SWEET LORRAINE (Johnson: J-C-13) Midseason SALMON ROSE

Salmon rose pink blend with green throat. A pleasant color bridge between the cool lemon tones and sharper pinks and reds in the border.

From a line of pink hybrids. 36 inches. Semi-evergreen. 2.50

TONDALEYO (Johnson: J-B-11) Midseason BRONZE

Here is the deep bronze of a South Seas beauty, with the color warmed by contrasting brick brown halo and egg-yolk throat. Wide and free in flowering.

(Johnson hybrid x Sabrina) 36 inches. Semi-evergreen. 2.50

TROPIC SHELL (Vargas: A-10-A) Early Midseason PASTEL PINK

A low growing pastel salmon pink with many scapes and open blooms. Fair branching. The color fades to be even lovelier. A fine plant for the front of a border. $1\frac{3}{4}$ x $1\frac{1}{8}$ x $5\frac{1}{2}$. Fertile both ways.

From a line of pink hybrids. 24 inches. Deciduous. 2.50

Modern Daylilies for Today and Tomorrow

Sample Listing: SATURN'S RING (Gabrielson) 36" EM and L
(one) (two) (three) (four)

KEY:

(one)	Registered name of Daylily
(two)	Originator

 ORIGINATIONS - 1963.\$2.50

WEST WIND (McKee) 38" ML, CHAMOIS ROSE
 Large soft chamois rose petals,
 yellow sepals.\$2.50

WHITE TRIANGLE (Bach) 30" M, CREAM
 Very pale triangular cream
 self. Diamond dusted.\$1.25

COLOR SELECTIONS OF QUALITY HYBRID DAYLILIES

*There is no duplication of Hybrids
 in the same Color Class*

Yellow, Orange and Gold 3 for \$2.50
 Bicolor, Pastel and Polychrome 3 for \$3.00
 Scarlet, Crimson and Near-Black 3 for \$3.00
 Violet, Purple and Wine 3 for \$3.75
 Rose, Salmon and Pink 3 for \$3.75
 Range of color 6 for \$5.00

These Daylilies are handsome to see, blooming at SHREWSBURY GARDENS. They are always very limited in supply. The reason is simple: These are Sister Seedlings to the Registered Introductions. Time and judgment have gone into creating

them, selecting them with great care before allowing them to be available to those gardeners who appreciate fine quality, but are not Collectors of new Registered Daylilies.

SHREWSBURY GARDENS offers the finest quality always. What is not considered highly choice goes into enriching compost to grow the new seeds of each season well. We enjoy our individual inventiveness, we are proud of our Selections from this, the rest we are pleased to return to earth. In this procedure we can be sure that you will always be proud to show SHREWSBURY GARDENS Quality Hybrid Daylilies to visiting friends in your own Home Gardens.
